Uncle Al's Handmade Wood Furniture

Hand Crafted — 100% Quality Assured — Each Piece Unique

Well I'm going to start off with a **big thank you** to everyone who stopped by this past summer. It was without doubt the best one I have had in a long, long time and I thank everyone for coming by and making it **such a success**. I want to apologize for not having the highway store open more than we did but it's hard to be in two places at once. We will try to get that tuned up for next summer. We are already having people come in looking for ***Christmas stuff***. It seems that it comes sooner every year. We are going to do our best to have as much of the stuff, as possible, that makes you **smile** available over the holidays. We are in the throes of building up as much stock in **special wood** for **counters, mantles** and **kitchen islands** as we can for your winter projects. We can't keep it all here in the store, just not enough room, so things will change quite a bit over time. Therefore, you will want to keep an eye out for that one **particular piece** that you will fall in love with.

Once again, I thank you all for your continued patronage, great ideas and smiles. While it is really early and I apologize for that, we wish all the best to everyone over the Christmas Holidays and New Years.

Between now and then, remember to drive safe and take care.

Hope to see you soon. Uncle Al

Copper Island Health & Wellness Centre

Starting October 19, the mobile lab collection will include **ECG's**! The number of people using the lab service continues to grow. This is a great step towards realizing our dream to bring health care closer to home and build healthier communities. Encourage everyone you know to access lab services in our community. We are very proud of the volunteers at **Copper Island Seniors Resource Services**. Yes, we changed the name because they are now in a new location called the Copper Island Health and Wellness Centre. CISRS continues to provide support to our seniors from their new location. We are grateful for the support of the community and sponsors, three successful fundraiser events held netted approximately $11,000! Plans are in place for 2018 events on March 17 and June 2. Mark these special dates on your calendar!

Seniors' Meals

Thurs, Nov 2 is the next **CISRC monthly seniors' lunch** which will be held once again at 12:30 pm at Duffers Den, 2504 Centennial Drive. This popular event brings local seniors together for a delicious meal and social time. The menu varies, and will be posted in the media the week prior to the lunch. Reservations are required by Tues at 250.675.3661. Keep the first Thurs each month (unless otherwise indicated) open on your calendar. Cost of $11.50 for a 3-course meal including tip and taxes. Come give it a try, bring a friend and enjoy the outing!

Cyber Seniors' Program

Free one-on-one **tutoring sessions** are geared towards seniors who are lacking skills to participate in our increasingly technology dependent society. Volunteers are matched with learners to help them gain skills like: internet searches, sending attachments, managing and organizing photo files, organizing files on their computer, using an IPAD or tablet, Facebook or cell phone. To volunteer as a tutor or to sign on as a learner, please contact **LASS** at 250.463.4555 or bbseniors@shuswapliteracy.ca or call the **Copper Island Seniors Resource Services**. For more information on this program visit www.shuswapliteracy.ca. Fall sessions start on October 16, 2017.

Chuck will be dearly missed by all. Chuck was well known for just enjoying people and entertaining them with his sense of humor.

Stephen Michael Desautels
September 21, 1954 - September 27, 2017

Steve will be dearly missed by everyone at Shuswap Lake Estates!

Steve truly loved his golf game. There wasn't a week that went by where he wasn't on the course. He loved spending time with his family and friends and left an impression on everyone he met. He enjoyed spending time in his yard and looking out over the lake enjoying a beer or 2 and chatting with the locals! We will miss his smile, his laugh, his crazy sense of humour but mostly his love.
