Shuswap Lake Estates Pet Photo Contest……
The winner of our pet photo contest is Badge. Almost everyone that came by our office had a comment about this big puppy. We filled a bag full of toys and treats from **John's Pampered Pets,** then, John added a big bag of Dog Food to go along with the prize.
We had Badge come to the office to receive his prize and to sit for a photo shoot. Badge is now 8 months old and is the most well behaved, sweetest boy.
Thank you so much to everyone who sent photo's, they made our day every time we received one. All of the entries are printed and posted at the office, you are welcome to come and get your pet photo.

"My name is Badger but you can call me Badge. I came to live with my foster family from the Shuswap SPCA when I was 8 weeks old. As I started to grow in size I also began to grow in their hearts and they decided to adopt me. I was very happy to find a forever home. I'm not exactly sure what breed I am but my parents tell me it's not important because all dogs are cool. Thank-you for all the hugs, treats, gifts and selfies today from the awesome staff at Shuswap Lake Estates." Love Badge

SHUSWAP LAKE GOLF COURSE at Blind Bay

Hello Shuswap Lake Estates Community & Shuswap Lake Golf Members!

It's hard to believe we are more than halfway through the golf season already. With the warm weather finally here to stay, and long days sticking around we are excited for what's in store for the final half of the year.

We have undergone a lot of changes already this year including new management in every department, a refocus on our team culture and how we define our business practices, and a growth in membership to higher levels than we have seen in the past many years. These changes present many challenges to our community, but also bring with them many opportunities.

We are excited to welcome back to the kitchen Chef Claudia who has returned as our full-time Head Chef, and with her a new summer menu full of some of her classic meals and new features. Come on into Duffer's Grill & Lounge and treat yourself to some of Chef Claudia's famous cooking.

There are plenty of events taking place out on the golf course to keep you busy too! Check out our Men's & Ladies nights which have filled the golf course and restaurant with all of your community neighbours & members, and give yourself a chance to win some of the huge prizes including golf clubs and bags we give away every week! We are also excited to welcome back the Sr. Men's Highland Tournament taking place September 16th.

Feel free to give us a call, visit us online, or simply stop by if you have any questions about what's going on here, or just want to relax and enjoy a beverage on the patio.

Clarification of Secondary Units.

The Provincial Government has passed legislation which could facilitate the most impactful changes the development industry has seen in decades. All local Governments must amend bylaws to allow secondary dwelling units and accessory buildings by the end of June. With that said, Shuswap Lake Estates Building Scheme, which is registered on all titles within Shuswap Lake Estates, will take precedence. The CSRD has confirmed with the Province that the new Provincial requirements for housing will not take priority over existing Building Schemes. Shuswap Lake Estates can choose whether we want to enforce our Building Scheme or whether we will allow any attached or detached Secondary Dwelling Units, (SDU).
Secondary Dwelling units, attached or detached may be permitted on a case by case basis and must be submitted and approved in accordance with the current Shuswap Lake Estates Building Guidelines and you must provide off road parking for the new unit.

An attached secondary dwelling unit is a secondary dwelling that requires no addition to the existing home i.e. a basement suite, or an addition that will be physically attached to the home. Water and or sewer service will be provided from the primary structure.
The property will be billed at the base charge of 1 SFRE + 0.5 SFRE for water and sewer to account for the increased demand of the SDU.

A detached secondary dwelling unit would be a stand alone secondary unit i.e. a cabin, casita, etc.
The property will be billed at the base charge of 1 SFRE + 1 SFRE for the water and sewer to account for the increased demand of the SDU.
If the existing water service is thin-walled pipe, or if the service was installed more than 30 years ago, the property owner is to pay for the replacement of the existing service connection from the main to the property line, complete with new curb stop and restoration.

For a secondary detached structure, the water & sewer service must be provided from the primary structure, a second water or sewer service connection will not be permitted. The property owner will contribute $6,000.00 to the sewer utility and $6,000.00 to the water utility for the additional dwelling unit for future upgrades.

Please call the office for further information 250 675 2523 or email sales@shuswaplakeestates.com
