Shuswap Lake Estates

Pet Photo Contest

Shuswap Lake Estates is excited to announce our 2026 Pet Photo Contest Winner, meet Kaslo!
Kaslo is so well behaved when he comes into the office. He will do a few tricks for his treats then has to say hi to everyone around him. We thoroughly enjoy all of you taking the time to bring your pet into the office, it really does make our day brighter.
This is the second year we have had the pet photo contest going and the second time John's Pampered Pets has donated a bag of goodies for the winner. We know many of the dogs go to John's for grooming and treats and toys, so thank-you to everyone for supporting this local business and thank-you John for your generous donation.

New Website

Shuswap Lake Estates Launching a New Website in Early November 2026.

We're excited to share that Shuswap Lake Estates will be launching an updated website in early November 2026. The new site has been completely redesigned to be more user-friendly, easier to navigate, and better aligned with the needs of our growing community. Visitors will find clear, accessible information about our community and all major areas of our operations, including:

- New land development projects and lots available for sale
- Water utility services
- Sewer utility operations
- Storage Compound facility
- SLE Community Centre and banquet rooms

One of the most helpful additions is our new events calendar, where customers can view all upcoming activities, bookings, and community events happening at the SLE banquet rooms. We look forward to sharing this improved online experience with you and hope it becomes a valuable resource for residents, visitors, and partners throughout the Shuswap.

A Year in Review!

What has Shuswap Lake Estates accomplished in 2026?

- Highlands Phase 3 subdivision was finally registered.
- SLE donated land for parks and trails and $31,500.00 cash to the CSRD for future parks or upgrades.
- Every year we donate use of the land, and provide mowing and maintenance for Music in the Bay at Centennial Field. This year we also added a misting station and gates.
- SLE installed gates at entrances to the trails on the land beside the Highlands. These lands are "No Motorized Vehicle" areas, which includes dirt bikes, quads, snow mobiles etc.
- We upgraded the water system by adding a new pump station at the top of the Highlands.
- Over at the RV Storage compound we installed an electric gate, paved additional stalls and removed some trees.
- Hopefully you have noticed the new directional signs around the Estates and the new banners along the Highway and Highlands Drive.
- SLE levelled and seeded 2 acres of vacant land in the middle of the new lots of Highlands phase 3.

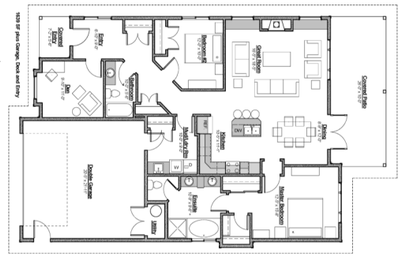

Highlands Phase 3

Take a drive to the Highlands newest subdivision and surround yourself with the beauty of Blind Bay in Autumn. Phase 3 sits above all else, overlooking the bay, the golf course, and the Tappen and Notch Hill valleys. We have 62 single-family view lots, all fully serviced to the lot line: power, water, sewer, gas and more. Many of the lots back onto walking trails, those that don't are not far from one of the many trailheads. Explore over 3km's of formal walking trails and several km's of additional trails and all are great for your furry companions.
All of the building pads have been prepped and are ready for foundations with minimal earthworks needed.
Choose your lot, choose your builder and build the home you have been waiting for. With the subdivision complete, you can start that dream home now.

Canadians recognize Remembrance Day, originally called Armistice Day, every November 11 at 11 a.m. It marks the end of hostilities during the First World War and an opportunity to recall all those who have served in the nation's defence.
The Royal Canadian Legion cares for all those who have served our nation. As members, we show our thanks by supporting and advocating for Veterans, by remembering their sacrifices, and by continuing the tradition of service in helping our communities.
Every year, from the last Friday of October to November 11, tens of millions of Canadians wear a Poppy as a visual pledge to honour Canada's Veterans and remember those who sacrificed for the freedoms we enjoy today. While the Poppy is distributed freely to all who wish to wear one, the Legion gratefully accepts donations to the Poppy Fund. **Please be seated at Sorrento Memorial Hall by 10:30 am**
