Survey Results

Last newsletter we sent a survey out to all residents of Shuswap Lake Estates.
 We sent out 1250 surveys and we received 96 responses. The ones that we did get back were very informative.
 The survey asked “what amenities would you like to see at Shuswap Lake Estates”,
 1. kids playground
 2. swimming pool
 3. Multi-Purpose Court.
 The services asked for were,
 1. proper medical clinic,
 2. better road maintenance
 3. Police Station.
 The businesses you would like to see
 1. Chinese restaurant,
 2. gas station
 3. more restaurants in general.
 The survey asked how many people live in your home. Out of the 96 surveys returned we have 198 residents.
 In order for a community to receive federal or provincial grants for any type of infrastructure, the community would have to show that the population in the area is large enough to be eligible to receive those funds and is in need of the infrastructure.
 I would like to continue with the survey so if you have not sent one back, please email me with your thoughts.
